Karen: Everything okay? Did Nikki get there?
me: yep indeed
Karen: Good! What about your computer, did she bring your old laptop?
me: no, she was already at airport
me: using Josh's spare
me: did we pack my phone charger?
Karen: So sorry! Did you call HP?
Karen: Yeah, I thought you put your charger in your carryon?
me: no, don't have time for that right now
me: okay, let me look
Karen: If not, just go to ATT store and get another, they're not expensive, put on your debit card.
me: found it!
me: good thing I asked you
Karen: Well, we were all running around that morning, throwing stuff in your bags :)
Karen: Have a fun day! Love you.
